

Frontend Developer (SDE I)

About Snapmint

Snapmint is on a mission of democratising no/low-cost instalment purchases for next 200 Mn Indians. Of the 300 million credit eligible consumers in India, less than 30 Mn actively use credit cards. Snapmint is reinventing credit for the next 200 Mn consumers by providing them freedom to buy what they want and pay for them in installments without a credit card. In a short period of time Snapmint has reached over a million consumers in 2200 cities and has powered over 2000 crores worth of purchases. Snapmint was started by a closely-knit team of passionate bankers and technocrats from IIT Bombay.
